

PART IIIA – DEGREE GRANTING PROGRAMS

CURRICULA

Nursing (Degree) Associate of Applied Science Program (TH)

Objective

The program objective is to prepare the student to enter the profession of nursing as a contributing member of the discipline to promote, maintain, and restore the health of clients in a variety of settings. This is an 46 week program designed for students who choose nursing as a career. The program’s curriculum provides high quality theoretical, laboratory and clinical experiences ensuring the student opportunities to develop as a professional nurse and as an individual. 46 weeks is for core nursing content and does not include General Education requirements. The 46 weeks does not include breaks and holidays.

Length of Program: Day School, 46 Weeks

PREREQUISITES MUST BE COMPLETED PRIOR TO ENTERING PROGRAM AND ARE NOT INCLUDED IN TOTAL COST
