

FREDERICKSBURG, VA | RICHMOND, VA

Job Description

Have you been thinking about making a change in your nursing career? Do you enjoy teaching and sharing your knowledge and expertise?

EVCC is growing and expanding into the Richmond/Glen Allen area. Our AAS/RN program will be starting in September of 2026! Come be a part of a fantastic team that values teamwork, professionalism, accountability, and communication as part of our values and mission. We invite like-minded nurses to become a part of a successful team of Nurse Educators. At EVCC we value diversity and inclusion and welcome all to our community. Please bring your unique experiences to share with our faculty and students. In addition, we offer a robust orientation and great work-life balance.

All positions are in person, there are no remote positions.

Full-Time Nursing Program Positions Available as of July 1, 2026:

1. **Lab Coordinator**
2. **Academic Coordinator**
3. **Full-Time Faculty: Fundamentals of Nursing theory and clinical**
4. **Full-Time Faculty: Adult Nursing I (Med-Surg) theory and clinical**
5. **Full-Time Faculty: Pharmacology theory and clinical**
6. **Adjunct Faculty/Part-Time (clinical all specialties)- BSN required**

Location

This position will be located in Fredericksburg, VA during orientation and will transition to Richmond location in September 2026. Daily travel to Fredericksburg location is required during orientation.

Nursing Experience

Minimum of 2-5 years nursing direct patient care experience, experience in Pre-licensure nursing education preferred.

Qualifications

Education:

- Master's Degree required, preferably in Nursing Education
- Current unrestricted license to practice as a registered nurse in the State of Virginia.
- Current AHA CPR certification.

Experience:

- 2-5 years minimum of full-time employment or equivalent in clinical nursing practice as a registered nurse required.
- Prior teaching experience not required, but preferred.
- All full-time staff are required to orient in classroom, skills and simulation labs, as well as clinical rotations. (In person learning)

Please send us your resume and salary requirements to be considered for this position. You may email kkitchen@evcc.edu directly with a cover letter and salary requirements.
